

The Company

Incepted under the inspired leadership of Mr Rafiq Usman Sait, an acclaimed exporter and dealer of fresh frozen foods and Aqua culture, in the year 1989, Dorothy Foods has extended its wings worldwide and today exports to all the parts of the world including USA, European Countries, China, Japan, Korea, Taiwan, Asian and the African Countries.

Headquartered in Kochi, Kerala, Dorothy Foods has established branches in Mumbai and Veraval (Gujarat) and also established partnership with reliable EU Approved, HACCP implemented and FDA listed export houses and factories, and grown onto a regular supplier of high quality fresh and frozen Fish & Sea food to prestigious buyers.

Spurred by intense competition from International markets, we have stood our ground and retained the good will of our regular customers by maintaining the quality of our products and dependability of our services.

Dorothy Foods believes in carrying on its business through never flinching business ethics. We deal with every client as the most valued friend and goes the extra mile to ensure his success. These underlying principles of our existence have resulted in many long term relationships around the globe and our valued customers and clients count on us for the most reliable and professional service.
